

## Sight Access

by Sight Sciences

Our HIPAA-compliant Sight Access Portal is designed to support insurance authorizations and reimbursement support for our technologies, so you can focus on what matters most: your patients.

On our secure, online provider portal, you can access and request:

- |   |  |
|---|--|
| ✓ Real-Time Insurance Verification      | ✓ Sight Access Resources and Tools       |
| ✓ Authorization Submission and Tracking | ✓ Reimbursement Support and Appeals Help |
